BARBEQUE NATION OPENS SECOND OUTLET IN GURGAON

Gurgaon, October 28, 2015: Barbeque Nation, one of the most successful casual dining restaurant chains in India, has launched its second outlet on G 85, Spaze Platinum Tower, Sector 47, Sohna Road, Gurgaon. Mrs Suchitra Dhanani, Director of Barbeque Nation and children from Navjyoti Institute, inaugurated the outlet. Also, anchor comedian Mr. Dhiir Kumar entertained the guests with his wit and comedy.

Now, visitors to Barbeque Nation's Gurgaon outlet can bask in the aroma of barbecued food as they experience the joy of grilling their own vegetarian and non-vegetarian barbecues on live grills at their own tables!

Barbeque Nation is a pioneer in India to promote 'DIY' (do-it-yourself) cuisine with a concept of live on-the-table grill in India and is today the largest casual dining brand in the country. The restaurant offers a pre-fixed menu with a fixed price. The menu is drawn from Mediterranean, American, Oriental, Asian and the Indian subcontinent.

The look and feel of the restaurant follows the basic theme of Barbeque Nation which is rustic and casual with wood and open-brick wall surface. The sizzle of the grills livens up the whole atmosphere and gives diners a comfortable and cosy experience.

The eat-all-you-can buffet at Barbeque Nation offers an array of vegetarian and non-vegetarian dishes. Starters like Paneer Achari, Cajun Spice Potato, Mutton Gulabi Seekh Kabab and Chilli Garlic Prawns deserve a special mention. The main course has a number of mouth-watering dishes ranging from Mutton Dum Biryani, Chicken Tangdi, Murgh Joshina and Handi Gosth in non-vegetarian dishes, to Paneer Tikka Masala Dum Aloo Kashmiri and Kofta Bukhara among vegetarian dishes. For dessert, the chefs serve up popular dishes like Malai Kulfi, Moong Dal ka Halwa, Kesari Phirnee along with a delectable range of Kulfis from the restaurant's permanent Kulfi Nation counter.

Mr. Uday Menon, Chief Business Officer, Barbeque Nation said, "Sohna Road is emerging as major residential hub for affluent citizens in Haryana. Therefore, it was important for us to open an outlet in order to be able to cater to the growing Gurgaon residents living in the vicinity of Sohna Road. We are positive that this outlet will be as successful as our other outlets across India."

Mr. Joju PO, Chief Operating Officer, Barbeque Nation said, "Barbeque Nation's buffet style of serving and live on the grill concept has been very well received by Gurgaon residents, which is why we have opened our second outlet in Sohna Road. Gurgaon is rapidly evolving in terms of entertainment and food industry. Many prominent food and beverage brands have carved a place for themselves in this city. Therefore, it was important for us to have presence in this area to tap into the competitive market.
