**Barbeque Nation**

Jangpura, New Delhi

**Rated 4.0** Recently dined here with my family and we tried their ongoing Festival league in which they are serving the best of their previous food festivals. And its seriously one of the best food festival I have tried of Barbeque nation. Love the options and the variety they are offering.

What all we had:

Starters: Dingri masala, lazeez e chaman, pcb tikki, rosemary potatoes, crispy corn, cajun spice potatoes

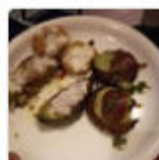

Mockatils: league rapture, league shine, sangria

Main course: bahamian saluna, dal makhani, soya lababdar, live pasta and breads

Desserts: brownie, ice cream, butter scotch pastry, phirnee, crunchy munchy chocolate, gulab jamun

If you're a regular person at Barbeque nation you'll get to know why these dishes have been selected for this ongoing food festival. I loved the Dingri masala, bahamian saluna, dal makhani, soya lababdar, crunchy munchy chocolate and butter scotch pastry out of all I had.
