**RATED 5.0** Barbeque nation has got together dishes of festival league special menu, associated with Cricket. In line with the IPL ongoing season.

Foodies can relish the juicy Reverse Swing Tangri– delicious melt in the mouth chicken appetizer, marinated in aromatic Indian spices, Knuckle Ball Fish – boneless fish barbecued in burnt garlic and LBW Fish steak – perfectly grilled fish fillets, served with choice of sauce and dip. We went with friends and had a great meal.
